

**PREDICTION AND REDUCTION  
OF DIFFUSE POLLUTION,  
SOLID EMISSION AND EXTREME FLOWS  
FROM RURAL AREAS**  
– case study of small agricultural catchments

# Contents

---

Preface .....	5
1. Variability in runoff from a small agricultural catchment – based on long term monitoring data Kazimierz Banasik & Leszek Hejduk .....	7
2. Analysis of low flow characteristics and drought frequency in agricultural catchments Ewa Kaznowska .....	27
3. Prediction of T-year flood in gauged and partially gauged small catchments Kazimierz Banasik & Andrzej Byczkowski .....	47
4. Catchment responses to heavy rainfall events in a changing environment Kazimierz Banasik .....	61
5. Comparison of hydrology in selected catchments in Poland and Norway with focus on dominating flow paths and time resolution Johannes Deelstra & Kazimierz Banasik .....	75
6. A comparison of monitoring methods to quantify runoff and nutrient losses in Poland and Norway Leszek Hejduk & Johannes Deelstra .....	91
7. Estimation of influence of land management on river water quality based on model calculations Leszek Hejduk .....	111
8. Extreme flows and possible threats to small populations of the European pond turtle Sławomir Mitrus & Leszek Hejduk .....	129
9. Small river valleys management and nature protection on the basis of amphibians Krzysztof Klimaszewski .....	139

10. Erosion studies in plot field experiments with different tillage systems in Norway Trond Børresen .....	153
11. Best management practices in Poland to keep good quality of surface waters in rural areas Tamara Jadczyzyn .....	171
12. Best management practice in Norway to keep good water quality of surface waters in rural areas Lillian Øygarden & Trond Børresen .....	181
13. Influence of small constructed wetland on surface water quality Atle Hauge .....	203
14. Impact of small reservoir on reduction of solid transport Dariusz Górski, Zbigniew Popek, Kazimierz Banasik & Leszek Hejduk .....	219
15. Lessons learnt: summary of experiences and further recommendations Kazimierz Banasik, Lillian Øygarden & Leszek Hejduk .....	233
Appendix 1: List of the project participants and their affiliations .....	244
Appendix 2: List of the project “end users” (participating also in the workshop at Jedlnia and Czarna in October 2008 and/or 2010) .....	246
