

Seventeenth International Conference on
Climate Change: Impacts & Responses

Sustainable Development for a Dynamic Planet:
Lessons, Priorities, and Solutions

January 23-25, 2025 Florida International University, Miami, USA

CERTIFICATE OF ATTENDANCE AND PRESENTATION

Maja Radziemska

of Warsaw University of Life Sciences - SGGW, Poland, attended (as an In-Person participant) the Seventeenth International Conference on Climate Change: Impacts & Responses,

Florida International University, Miami, USA, 23-25 January 2025 (24 hours). Maja Radziemska presented the paper:

Closing the Loop: Influence of Temperature Changes on the Efficiency of Green Remediation Techniques in Post-industrial Soils Contaminated with Potentially Toxic Elements

We thank you for your valuable contribution. The annual conference is an integral component of the *Climate Change: Impacts & Responses Research Network*.
